Salut, and welcome to a new school year!

I hope everyone had an enjoyable summer and found some time to relax, recharge, and make great memories. As we begin another school year, our staff is excited to welcome students and families back to St. Louis Public School. We look forward to seeing many of you at the Backpack Dropoff tonight and welcoming everyone back to the building over the next few days.

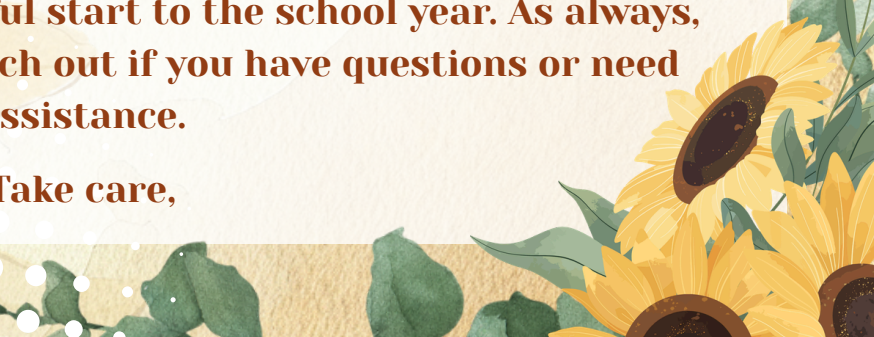

The beginning of the school year is always a wonderful opportunity to reconnect with friends, build new relationships, and strengthen our school community. One of our first major events will be our Grade 7–12 student retreat at One Arrow Culture Camp on September 10. Students will spend the day participating in games, activities, and team-building opportunities designed to help us connect and work together. Lunch will be provided.

There is already a lot happening at SLPS, and the weeks ahead will be filled with learning, activities, athletics, and special events. Please continue to watch Facebook, Edsby, and your email for important information and updates.

We are proud of the strong relationships that connect our school, families, and community, and we look forward to another great year of learning and growth together. Our school slogan captures that spirit perfectly: “Strong Roots, Bright Futures.”

We wish everyone a wonderful start to the school year. As always, please don't hesitate to reach out if you have questions or need assistance.

Take care,

Meet The Staff
